

## **Electrician**

If you are interested in joining an exciting company within one of Europe's largest industries then **SF Engineering** may be right for you. As one of Ireland's leading manufacturers of products and solutions for the global food industry, a career at SF may be beyond what you would expect. At SF we realise that our employees are one of the keys to our success. We look for individuals who share our passion to succeed.

As a leader in our field, we are growing rapidly and have a number of exciting positions available, including an **Electrician**

Reporting to the Operations Manager, the **Electrician** will be required to assist with the day to day activities of electrical maintenance at the SF factory in Grange, installation of motors and related controls for SF customer projects and installation and commissioning of new equipment at customer sites. Some occasional travel maybe required as necessitated by the needs of the Business.

### **Specifically, you will be responsible for:**

- Electrical maintenance within the SF factory including fault finding and repairs of equipment
- Wiring of various motors, e-stops, control circuits and associated equipment relating to SF customer projects
- Ensuring that customer electrical specifications are within regulation
- Liaising in-house with the Electrical Engineer to highlight any issues which may arise
- Troubleshooting of Electrical, Mechanical and Software Issues
- Management of the electrical store including orders of required stock
- Responsible for the training and ongoing assessment of SF Electrical Apprentices as per Solas guidelines.

**We are looking for someone with the following background:**

- Qualified Electrician with Craft Cert in the Electrical Trade.
- Hands on experience within a factory environment
- Ability to read electrical drawings
- Proficient in the use of Word, Excel, and Outlook
- Proficient in the use of electrical drawing packages an advantage but not essential
- Clear and concise verbal and written communication skills
- Passionate and self-confident but open and willing to learn
- A team player
- Ambitious, loyal and driven to progress their long-term career
- Experience in the food industry is a distinct advantage
- Willing to travel to customer sites

**Salary package:**

- Depending on the candidate skills/experience
