

If you are interested in joining an exciting company within one of Europe's largest industries then a career with SF Engineering may be right for you. As one of Ireland's leading manufacturers of customised products and solutions for the food industry, a career at SF may be beyond what you would expect. At SF we realise that our employees are one of the keys to our success. We look for individuals who share our passion to succeed.

As a leader in our field, we are growing rapidly and have a number of exciting positions available at our Sligo site in the West of Ireland, including that of:

### **Production Assembler**

#### **RESPONSIBILITIES**

- Working with a dedicated Production team assembling a diverse range of SF products
- Bolting the skeleton of the product together followed by final assembly using various components (belt/motor/plastics/pneumatics)
- Efficient planning and time management to ensure products are assembled within the allocated budgeted hours
- Interpreting 2D/3D AutoCAD/SW drawings
- Skilled operation of various fabrication hand tools to ensure a high quality finish is achieved
- Conducting personal quality checks to ensure product meets with SF Quality expectations and Customer specifications
- Identify issues that may arise to the Production Team Leader
- Make a positive contribution to maintaining a workplace that is safe and tidy at all times
- Periodically, assisting in the installation and commissioning of equipment at Customer premises during weekdays and/or weekends
- Liaising with support departments to achieve operational efficiency
- Potential for internal welding training to develop your skills within the company

#### **SKILLS/REQUIREMENTS**

- Previous experience in the Food Processing industry an advantage but not essential
- Knowledge of pneumatic controls an advantage but not essential
- Must be proficient in the operation of fabrication hand tools
- Ability to read 2D & 3D AutoCAD/SW drawings
- Strong organisational skills with the ability to adapt quickly to changing priorities
- Must be able to work well on your own or as part of a team using your own initiative and solve problems as they arise
- Must be highly motivated with a 'can do' attitude
- Essential tickets – Manual Handling and Abrasive Wheel
- Advantageous tickets (but not essential) – FLT and MEWP
- A good eye with high attention to detail

#### **PAY RATE**

- Dependant on applicant and experience
