

If you are interested in joining an exciting company within one of Europe's largest industries then a career with SF Engineering may be right for you. As one of Ireland's leading manufacturers of customised products and solutions for the food industry, a career at SF may be beyond what you would expect. At SF we realise that our employees are one of the keys to our success. We look for individuals who share our passion to succeed.

As a leader in our field, we are growing rapidly and have a number of exciting positions available at our Sligo site in the West of Ireland, including that of:

Blast Operative – Cutting Shop

RESPONSIBILITIES

- Part of a Production team preparing stainless steel and/or plastic component kits ready for handover to manufacture
- Primarily working in the blast booth blasting parts and sub-assemblies of various sizes aligned with the priorities of the Production plan
- Carrying out daily maintenance tasks on the blast equipment and reacting quickly to breakdowns
- Potential for training on other equipment within the department pending resource and demand
- Conducting personal quality checks to ensure product meets with customer specifications
- Make a positive contribution to maintaining a workplace that is healthy, safe, neat and tidy

SKILLS/REQUIREMENTS

- Previous experience in a blasting and/or spraying role an advantage but not essential
- Previous experience of carrying out maintenance tasks an advantage but not essential
- Must be both proficient and comfortable in the operation of hand and power tools
- Strong organisational skills with the ability to adapt quickly to changing priorities
- Must be able to work well on your own or as part of a team using your own initiative and solve problems as they arise
- Must be highly motivated with a 'Can Do' attitude
- A good eye with high attention to detail
- Must be flexible in the role with working hours & shift patterns
- Must be flexible to support the need to transfer to other work cells or equipment as and when required
- Essential tickets – FLT and Manual Handling
- Advantageous tickets (but not essential) – Abrasive Wheels
